Any time Northland Christian enrolls a new student, there is a process that must take place with MSHSAA before we can answer any eligibility questions. MSHSAA is the deciding factor on eligibility for new students. The information above will be used to complete online transfer forms. After MSHSAA makes a ruling on the status of eligibility, the parents and student will be notified via email. **MSHSAA does not guarantee that eligibility will be granted for transfer students. They may require a 365-day ineligibility period.** If you have questions please contact the Northland Christian Activities Director, Brandy Tanner, via e-mail at: btanner@ncblazers.org
